Hi Tim

Having just returned from Liverpool and facing a mountain of emails & fun I felt I had to try to capture what the day was like. I know you are incredibly proud of your team & of course the children who are not only achieving amazing musical heights but have opportunities beyond dreams, but this day was special. The SMS staff, including Joyce et al, were simply amazing & worked incredibly hard. The performances were stunning. Parents were thrilled. Children exhausted but a tad happy!

I do not think I will ever be able to thank you enough both personally (from my family's point of view) & professionally for what you have given to any school I have been involved with.

Thank you.

If you could pass on my sincere thanks to all involved I would be grateful.

Hello Richard,

I just wanted to congratulate you for organising the fantastic concert yesterday; it was absolutely amazing. You must feel very proud to be able to give all those youngsters the opportunity to celebrate and enjoy their musical talents.

I had such an enjoyable afternoon and was particularly proud that almost half of the Junior Jazz Band is made up of either ex or present Shirley Heath pupils. This has all stemmed from introducing brass wider opps into Shirley Heath a few years ago and having Anthony as their teacher. His enthusiasm and commitment is certainly transmitted to his pupils. I think we should have a Shirley Heath Rock Band - I'm sure there is enough talent here!

Best wishes
